8th November 2022

On the 8th November the midterm election happened in the United States
There are 50 states in the U.S.

34 of the 50 American States
elect their governors.

Governors are Democrat or Republican.

Historically midterm elections often see the President's
party lose seats in Congress. The President's opposite party opponents
again control of the House of Representatives or
the Senate (The two chambers of the American Congress).
