

It's the Saint Patrick's Day  
March, 17th

17<sup>th</sup> March

St. Patrick's is a christian festival celebrated March 17<sup>th</sup> to commemorate the death of Saint Patrick of Ireland. The myth told he hunted snakes from Ireland. Snakes represent the evil. People celebrate St patrick with their friends and family and they wear green clothes.

12th March

Last Sunday, the Oscar ceremony took place in Hollywood. Michelle Yeoh won the Oscar of the best actress of 2023 fo her role in the movie "Everything Everywhere all at once".

16th March

Because of the climate change, there were many floods in California. Consequently, there were restrictions in water today. Those floods have terrible consequences on the population and on the lands.
