Adderien Murry is an 11-year-old boy who was shot by a policeman from Mississippi in the United States as he was at home. His mother asked him to call the police because she felt in danger. The policeman arrived and asked everybody to go out. The boy appeared in the corridor and was shot by the policeman.

During a visit to the United States in 1983, Queen Elizabeth was threatened of being assassinated during her trip. This information comes from recent FBI documents.

It was the revenge of a man because his daughter has been killed in Northern Ireland at that period.
